

Towards a Nature-Positive Economy

Breakfast session, Davos 2026, Switzerland

20TH JAN 2026, 8:00 - 9:30

20TH JAN 2026
8:00 - 9:30

The conflict between economy and nature needs to give way to **transformational change** towards a **Nature-Positive Economy**. Across Infrastructure, Technology, Finance, and Governance, **actionable and scalable pathways** need to take shape. **The event highlighted and examined ways of Delivering:**

- **Sustainable infrastructure** - resilient, low-carbon, and biodiversity-aligned (by UNOPS)
- **Technology & Finance** – Key Breakthroughs, frontrunners, and commitment (by IKED and HutanBio)
- **Governance** – Partnership and building capacity, Inclusion and Accountability (by IUCN)

Enter 1-3 levers which you think are the most important

Oceans Day: **When the Ocean Becomes a Business Imperative**

January 21, 2026 @ Flourishing House (Schneider's Rätia)

Hosted by TCP and Velamar

What if the ocean is no longer a sustainability issue to manage, but the clearest signal of business risk—revealing which companies are prepared to align strategy, capital, and operations for a volatile future?

- Opening Seaker:
 - Thomas Andersson, IKED
- Moderator:
 - Daniela Fernandez, Founder & Managing Partner VELAMAR
- Speakers:
 - Aurelia Figueroa, Chief Sustainability Officer, Breitling
 - Belinda Saunders, Chief Sustainability Officer, Bla Bla Car
 - Cara Williams, Chief Sustainability Officer, Mercer
